

IntimateRider™ Fact Sheet

What you need to know about...

Back Pain & Intimacy

IntimateRider™ Features

- Comfortable Conforming Fabric
- Stable Back Support
- Optimal Seat Depth
- Non-skid Leg Glides
- Precision Bearings
- Folds for Compact Storage

If you experience back pain, sex can be one of the first activities to stop, but it doesn't have to be.

Communication

Take time to talk with your partner about what you are experiencing. It may be a physical problem but it can cause emotional stress in your relationship. Your partner may not know what hurts and why, so working through it is essential.

Use It

Instead of letting the back pain stop you from having sex, use it to your advantage.

Use It – to increase your intimacy with your partner by giving a gentle massage or taking a warm bath together before sex.

Use It – to experiment with positions and discover techniques that are comfortable for you and your partner.

IntimateRider™ Accessories

- RiderMate™
- Rider Cushions
- Colorful Slip-covers
- Travel Bag

The IntimateRider™ provides stable back support for optimal body support. The IntimateRider™ and RiderMate™ can assist you and your partner with different positions that you may not have been able to get into because of back pain.

Use It – to explore each others bodies.

The RiderMate™ is a great accessory to the IntimateRider™ in that it is positioned at the same level. You may have views that you didn't have before because of angles you couldn't get into.

Remember, always listen to your body
